October, 1985

Dear NAWBO Member:

I am pleased to forward to you your 1985-1986 NAWBO roster.

It includes NAWBO members listed alphabetically by chapter, with At-Large members also listed alphabetically. Final updates have been added at the back of each chapter.

We were particularly fortunate to have the support of the U. S. Department of Commerce in printing and mailing this important document.

Secretary Malcolm Baldrige and Deputy Secretary Clarence (Bud) Brown, the numerous outstanding senior women appointive officials in Commerce, and the Office of Small and Disadvantaged Business continue to give women business owners their time, talent and expertise.

It seems fitting, therefore, that these officials have made possible NAWBO's national roster, which does so much to open doors for women business owners and to increase business opportunities.

Our heartfelt thanks to our friends at Commerce.

Business is relationships - customer - retailer, client - consultant, individual-to-individual, subcontractor - contractor, corporation-to-corporation. Use this roster to find new sources of business and additional providers of goods and services for your company. NAWBO's business is your business.

Share the value! Share the vision!

Warm personal regards,

Mary Kelley McCurry
National President
